The amendment filed on 29 May 2007 has been entered and overcomes the rejections to the claims.

### ***Allowable Subject Matter***

1. Claims 20-28 are allowed.

The following is an examiner's statement of reasons for allowance: Regarding independent claim 20, the prior art of record neither shows nor suggest a method for producing a gas discharge vessel, comprised of, in part, continuing purging the chamber with the gas filling at superatmospheric pressure while heating the chamber to seal the discharge vessel, along with the rest of the limitations of the claim.

Due to their dependency, claims 21-28 are necessarily allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
